Customer Online Services Portal (MyWilloughby)

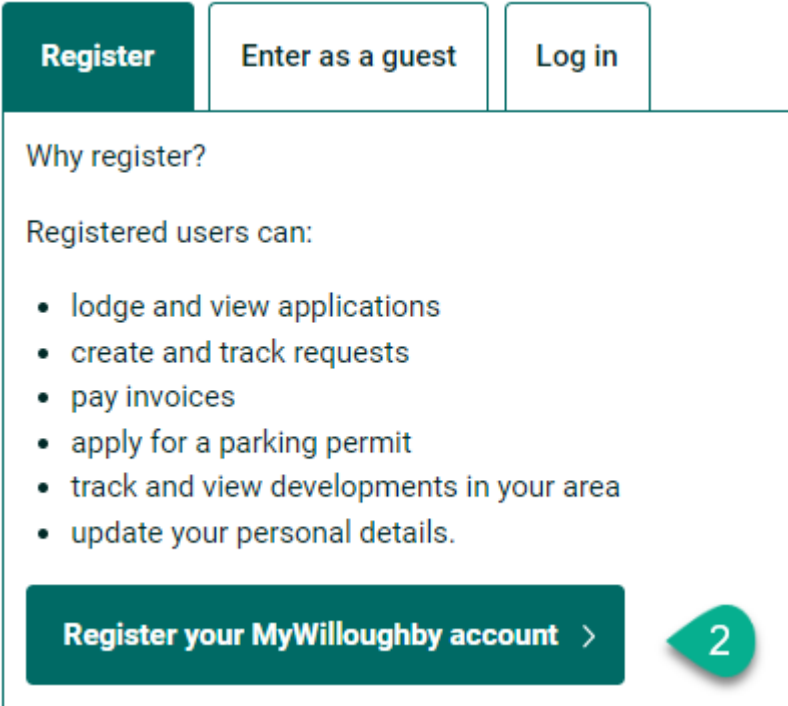

MyWilloughby is a one-stop user-friendly online service designed to make it easier for you to apply for, renew, pay, or request something with Council, and enhance the overall experience for residents.

*Guest users

If you remain as a guest user, you will have limited access to features within the online portal. It is recommended that you select [Register](#) to access your applications, requests and much more.

How to register for a MyWilloughby account

1. Click [here](#) to access Council's website
2. Go to MyWilloughby icon and [Register your MyWilloughby account](#) icon

The screenshot shows the registration options on the MyWilloughby portal. At the top, there are three buttons: 'Register' (highlighted in dark green), 'Enter as a guest', and 'Log in'. Below these buttons, the text 'Why register?' is followed by 'Registered users can:' and a bulleted list of benefits. At the bottom, there is a large dark green button with the text 'Register your MyWilloughby account >' and a small green speech bubble icon containing the number '2'.

Register Enter as a guest Log in

Why register?

Registered users can:

- lodge and view applications
- create and track requests
- pay invoices
- apply for a parking permit
- track and view developments in your area
- update your personal details.

Register your MyWilloughby account > 2

3. Complete the registration form and click 'submit.' You must include your full address.

Register

Enter your email address and password below. You will use these details to log in to the system later.

Email *

Password * Password Confirm *

Enter your details below so that we know who you are.

If your email is already registered with us, reset your password [here](#) and then login.

Password must be a minimum length of 8 characters, containing a minimum of 1 lowercase, 1 uppercase, 1 numeric and 1 special characters

Are you registering to access an existing account?*

Yes
 No

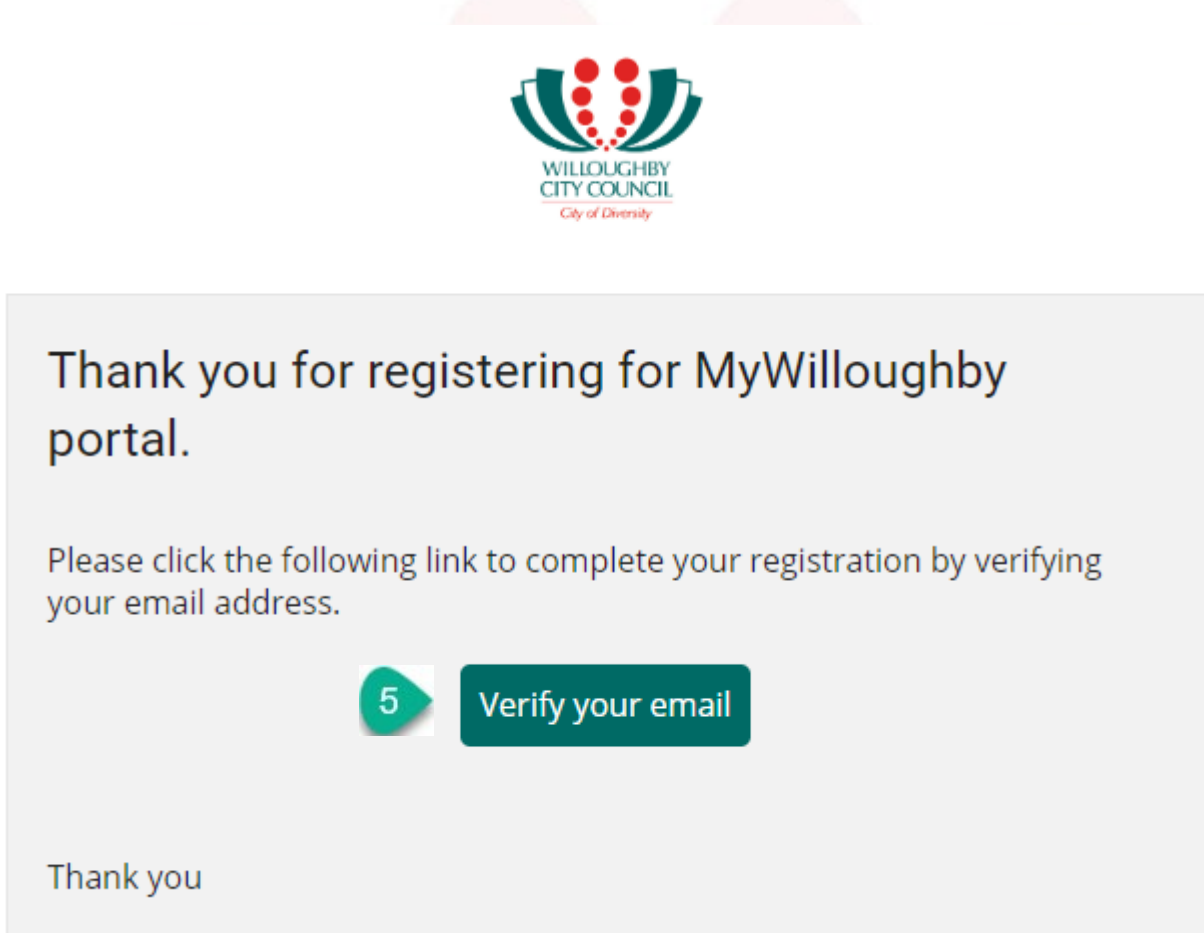

4. Confirmation of registration

The screenshot shows a dark teal header bar with a small logo on the left and the text "> Welcome" on the right. Below the header, a large teal circle with the number "4" is positioned to the left of the text: "Thank you for your registration" and "An email will be sent to you shortly to activate your account."

5. Logon to your email account and select verify your email

The screenshot shows the Willoughby City Council logo at the top center. Below it, a light gray box contains the text: "Thank you for registering for MyWilloughby portal." followed by "Please click the following link to complete your registration by verifying your email address." Below this text is a teal button with a white circle containing the number "5" and the text "Verify your email". At the bottom left of the gray box, it says "Thank you".

6. Enter Username or email address

Enter Password

Select Log On

Terms and Conditions

MyWilloughby Terms of Use
Welcome to Willoughby City Council's MyWilloughby customer portal.

While you may use our MyWilloughby customer portal as a guest or as a registered user, some services are only available to registered users.

We try to make our website and MyWilloughby customer portal accessible and accurate at all times. However, Council cannot guarantee:

- that any services will be available at any time for your use, or that there will be continuous or uninterrupted access to this website or portal;
- that the website, any files or software downloaded from the website, the portal or the website server, will be free from computer viruses, spyware or malware;
- that the functions contained in any software contained on this website or portal will operate uninterrupted or are error-free; or
- that errors and defects in this website or portal will be corrected.

Council reserves the right to cancel, change or suspend any or all online services at any time, without notice.

Council is not responsible for any costs, loss or damage that may result from you using this Council's website or portal, or from it being unavailable, or from your inability to use either or both.

By using Council's website or customer portal, you agree not to impersonate any other person or entity, or use false or misleading information in connection with your use of the website or customer portal.

By using Council's website and/or customer portal, you agree to the above, and the **full terms of use** available on Council's website.

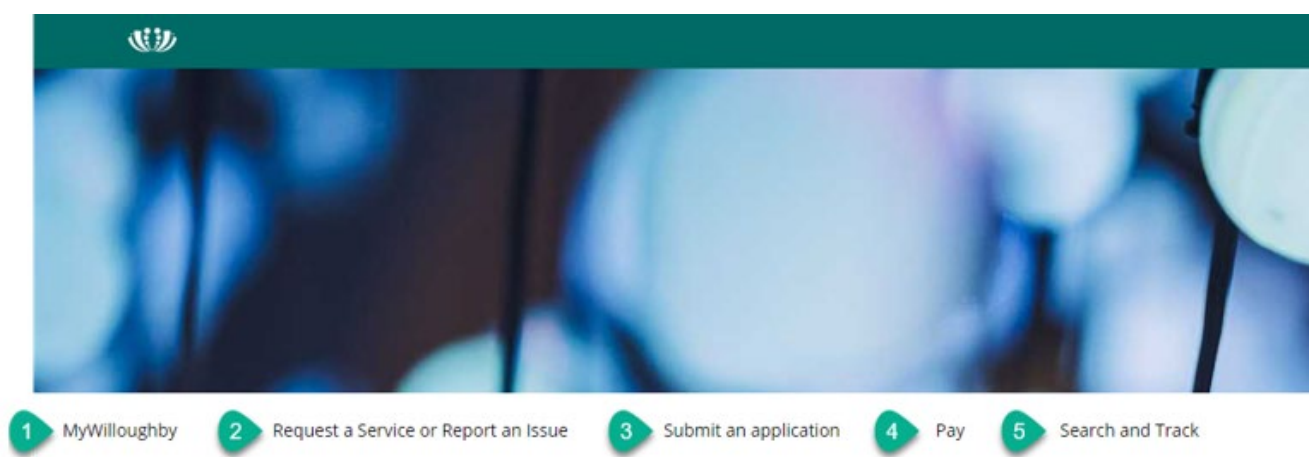

Willoughby City Council respects your privacy. Any personal information we collect from you will be handled in accordance with the Privacy & Personal Information Protection Act 1998 (the Act). View Council's full **Privacy Statement** available on Council's website.

11

MyWilloughby online services portal

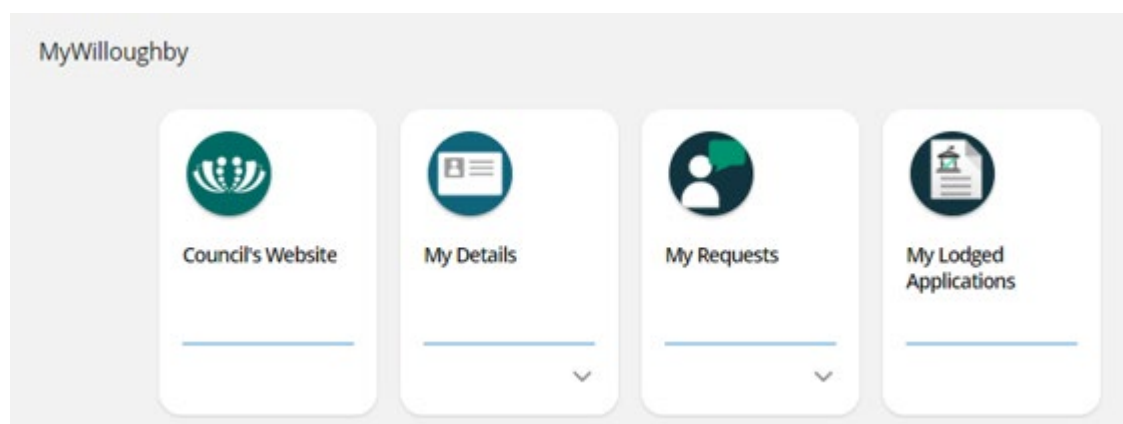

Features include:

1. Access **MyWilloughby** account
2. Request a Service or Report an issue
3. Submit an application (includes payment)
4. Pay an invoice
5. Search and track requests and development applications

Registered users can:

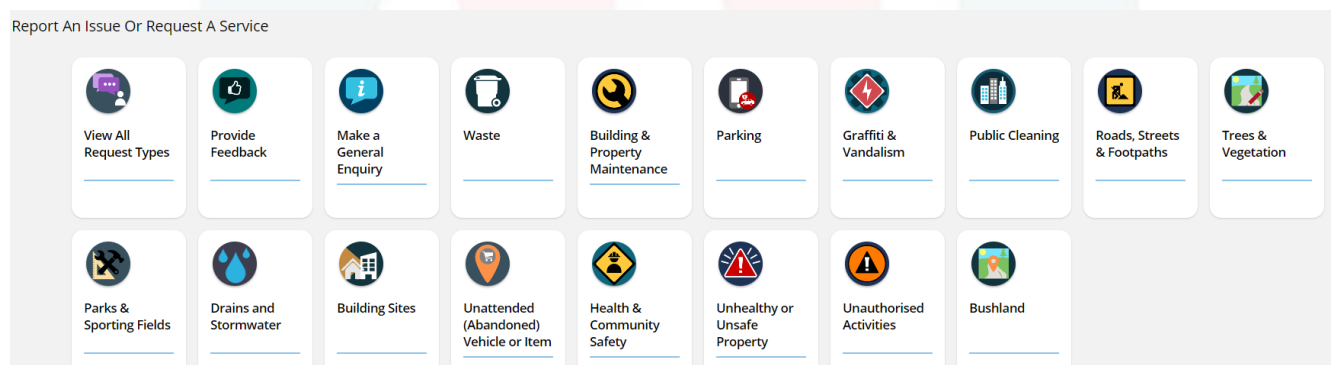

- easily access [Council's Website](#)
- create or update your details using [My Details](#)
- track all your submitted customer requests for service using [My Requests](#)
- track all submitted applications, certificates, permits & registrations using [My Lodged Applications](#)

Report an issue or request a service

Create a request

Customers can report an issue to Council directly using the top service requests e.g. waste, parking, trees and vegetation, drains and stormwater, parks and bushland etc.

This feature applies to both registered and guest users

In addition to this you can:

- view all request types
- provide feedback
- make a general enquiry

Simply fill out and submit the form

example of a waste customer request:

Report and Issue or Request a Service

Request Information

Please select the appropriate category *

Request Details

Please note: You can only select one bin type per request.

Please select your type of Dwelling *

If you are unsure of the bin size, check out this [guide](#).
Please leave bin out where it usually gets collected for the next 3 working days.

Select the Bin Type and Size *

How many bins?

What is the issue with the Bin? *
